## History of NativityMiguel School of Scranton

Early in 2012, NativityMiguel School of Scranton was the vision of religious leaders with tremendous experience in education. After several years of discussion, the religious communities of the Sisters, Servants of the Immaculate Heart of Mary (Scranton) and the Sisters of Christian Charity (Mendham, NJ) and The Sisters of Mercy (Mid-Atlantic Community), committed to sponsoring and endorsing this small, co-educational tuition free school for middle school students from low income families.

In January 2015, the congregation of Temple Hased in the East Mountain section of Scranton offered the lower level (formerly the Hebrew school) to NativityMiguel School of Scranton to rent for the purpose of operating a middle school.

An “all scholarship” school, NativityMiguel School of Scranton admits students of average and above average potential, of any race, sex, religion, and ethnic origin, and prepares them for a quality secondary education which, in turn, prepares them for post-secondary educational opportunities.

### Mission

**NATIVITYMIGUEL SCHOOL  
OF SCRANTON**

The simplicity of this logo conveys how the cross represents an education in the Catholic tradition and the sunrise symbolizes the opportunity that such an education can provide to shaping a bright future.

## NativityMiguel Model of Schools

NativityMiguel School of Scranton is an independent, tuition-free Catholic Middle School located in Scranton, PA. NativityMiguel School of Scranton is a NativityMiguel model school. The NativityMiguel Network of Schools was established in July 2006 to guide and strengthen the development of a growing network of schools across the country that are designed to provide families struggling in impoverished neighborhoods with a high-quality school choice for their children. The Network dissolved in June 2012 but 64 NativityMiguel schools continue to serve more than 4,400 students in 27 states across the country. Each NativityMiguel School follows 8 Mission Effectiveness Standards. The Standards provide daily inspiration for the work we do within our school—from making sure that our school is safe and secure, to ensuring that our students are achieving academically and reaching their spiritual potential.

In 2015 NativityMiguel School of Scranton was admitted to the Mid-Atlantic region of the NativityMiguel Coalition. The NativityMiguel Coalition is composed of schools that are aligned in terms of mission, governance, core beliefs and outcomes as detailed in the Coalition's Membership Identity framework:

### The Mission Effectiveness Standards:

- *Are explicitly faith-based*
- *Serve the economically-poor*
- *Employ an independent governance structure with effective leadership*
- *Support graduates beyond graduation*
- *Engage the family as partners*
- *Extend the school day and year*
- *Articulate a commitment to excellence*
- *Demonstrate proven, consistent results in the development of the whole child*
- *Are invested in the NativityMiguel Coalition.*

## **Parent/Guardian-Teacher Conferences:**

Parent/Guardian –Teacher conferences are scheduled for the beginning and end of the school year, and are mandatory. For all other meetings with teachers, a parent or guardian must make an appointment. Teachers may not be interrupted before school or during class hours unless arrangements have been previously made with the teacher.

## **Report Cards & Progress Reports:**

Report cards are distributed four times a year and progress reports are mailed home mid-quarter.

## **Testing:**

All NativityMiguel School students are required to take the Measures of Academic Progress (MAP) standardized assessment. While this test does not influence a student's grades, it does provide valuable information regarding progress and helps the School to approach the student's education in the most effective way possible.

The MAP test will be given three times to establish a sense of progress for each student throughout the year. MAP Scores will be shared with students and families, and a copy of the scores will be kept in each student's educational file. Furthermore, as a member of the NativityMiguel Coalition of Schools, NativityMiguel School shares students' aggregate scores with the Coalition solely as a method of data collection.

## **Consequences for Academic Deficiency**

### *Course Failure*

Any student whose cumulative grade for the academic year is an F will be required to complete remedial work, either independently or in a structured summer program, in that subject area in order to remain at grade level and be promoted to the next grade level. Students with multiple cumulative Fs for an academic year may be ineligible to return to the NativityMiguel School in the future.

### *Academic Probation*

Students' academic progress is reviewed regularly throughout the year by the teachers and administrators. A student whose academic performance or trends in academic work present concern for the teachers and administration may be placed on Academic Probation. Students placed on Academic Probation will be required to establish a plan to improve academic performance within an established period of time. This plan will be created in a meeting with the student, his parent(s)/guardian(s), teachers, and/or the principal. Students who achieve the goals set forth in their improvement plan will be removed from Academic Probation. Failure to show necessary improvement during the Academic Probation period may result in an extension of the warning period or be cause for dismissal from the NativityMiguel School.

While students may be placed on academic probation at any point for deficiencies in either academic performance or work completion, for the purpose of this policy, students who earn the following grades, or combination of grades, for the quarter, semester or year will be placed on academic probation:

1. A grade of "F" in one or more subjects
2. A grade of "D" in two or more subjects

## **GRADUATE SUPPORT PROGRAM**

### **Graduate Support Program:**

It is NativityMiguel School of Scranton's expectation that all of its graduates will attend a well-regarded college preparatory high school, successfully graduate from high school, and continue on to postsecondary education. Through the NativityMiguel School of Scranton's Graduate Support Program, students and their families are provided with support and assistance with the high school application, registration, and transition process. As part of the school's commitment to our students beyond middle school, the Graduate Support Program also maintains contact with the students and families throughout high school, monitoring academic progress and providing support and access to resources. The Graduate Support Program, in collaboration with the high school college and guidance office staff, helps with college prep and placement, and offers a variety of opportunities for professional and educational growth and advancement. Parents/guardians are required to sign a waiver allowing the Graduate Support Program to receive copies of high school progress reports and grades.

### **High School Seminar:**

Students will participate in four quarters of High School Seminar beginning in the fourth quarter of 7<sup>th</sup> grade and continuing for the first three marking periods of 8<sup>th</sup> grade.

### **High School Placement Test Preparation:**

Students will have the opportunity to participate in a High School Placement Test Preparation class to improve students' scores and increase their competitive advantage in the high school selection process.

### **Visits to High Schools:**

Students, starting as early as spring of 7<sup>th</sup> grade, will be permitted and encouraged to visit high schools through shadow days based on the guidelines provided by the Graduate Support Director. Students are encouraged to coordinate visits to take place on scheduled professional days. Shadow days must be pre-approved by the Graduate Support Director.

### **Parent Involvement and Commitment:**

Parents are expected to be actively engaged in the student's high school transition process, their high school education, and the college prep and placement process. This requires ongoing contact and communication with the Graduate Support Director, as well as participation in the various activities organized and offered by Graduate Support and/or the high school.

## School Policy

### **School Year:**

The calendar for the year is developed by the principal with input from the staff and the President of NMS. The school calendar is published and distributed in August. Changes to the master calendar will be sent home at the beginning of each month by the Principal. The annual calendar is always in compliance with Pennsylvania State guidelines.

### **School Schedule:**

An instructional day is defined as a day with a minimum hour of instruction. The NativityMiguel School of Scranton school program runs from 8:10 a.m.-4:45 p.m. daily.

7:30	Doors open
8:10	Breakfast
8:25	School day/Classes begin with morning assembly and homeroom
3:00	Classes end and Extended Day program begins
4:45	Dismissal

### **Morning Arrival:**

Doors of the school open at 7:30. Students must enter the school building at 7:30 or upon arrival at the school premises. Students may not loiter outside the school building. NativityMiguel School of Scranton is not responsible for supervision outside of school hours and is not liable for any injuries or accidents which may occur. A student who arrives after 8:10 is considered late and must obtain a late slip from the office before entering the classroom.

### **Afternoon Dismissal:**

Students are dismissed at 4:45 p.m. Students taking the city bus should go directly to the bus stop. Students must be picked up promptly at dismissal time (5:00 on most school days). This is a matter of safety as no supervision is provided after dismissal time. In the event that an emergency prevents timely pick-up, the school must be notified by telephone and every effort must be made to make alternative arrangements.

### **Drop-off and Pick-up Areas – *Safety First:***

When students are dropped off or picked up by car, this must be done at the designated drop-off/pick-up area at NativityMiguel School of Scranton. For safety reasons, no student may be dropped off or picked up anywhere but the designated area. The parking area is very large and drivers may not be looking for students.

## **Attendance:**

Daily, prompt attendance is a requirement for consistency of instruction, and summer session is mandatory. Absences and lateness jeopardize a student's academic success and standing at NativityMiguel School of Scranton. NativityMiguel School of Scranton requires parents' cooperation in avoiding unnecessary absences, lateness and early departures. When possible, medical appointments should be scheduled at times when school is not in session. Frequent absence or lateness may be reported to the Scranton School District. The administration reserves the right to dismiss a student who is repeatedly late, absent, or dismissed early from school.

## **Excused Absences:**

Situations may occur where a student is unable to attend school for reasons beyond the student's control. Examples of excused absences include, but are not limited to, illness, doctor's appointments, family emergencies, and major religious observations. Parents/guardians are required to notify the School of an excused absence *prior* to the absence, or as immediately thereafter as possible. To notify the School, the student's parent(s)/guardian should call or email the school:

- Phone: (570) 955-5176
- E-mail: kcalvey@nmscranton.org

Excused absences must be reported to the School within on the day of the absence; failure to do so will result in the student being given an unexcused absence. For any extended absence due to illness (more than two days) or one that requires a doctor's visit, the parent(s)/guardian should provide a doctor's note or other documentation the reason for the absence. Students are required to speak with their teachers to discuss making up work missed as a result of excused absences.

## **Unexcused Absences:**

An unexcused absence occurs when a student is missing from a mandatory school event (morning meeting, classes, athletics & activities, etc.) without reason or without proper notification from the student's parent(s)/guardian. Unexcused absences are a violation of NativityMiguel School standards and pose a significant concern for the school and a safety risk for students. Unexcused absences include, but are not limited to, absences as a result of skipping school, missing school without school permission, vacations taken while school is in session, or failing to report excused absences in a timely fashion.

Students who receive an unexcused absence may be subject to disciplinary action including, but not limited to, the following:

- Requirement to make up missed work for reduced or no credit
- Meeting with the student's parent(s)/guardian and Principal to establish accountability plan
- Recommendation of dismissal and/or loss of scholarship renewal.

## **Excessive Absence**

Because consistent attendance is essential to academic success, excessive absence will jeopardize a student's standing at NativityMiguel School. For the purpose of this policy:

- A student may accumulate *no more than four unexcused absences* throughout the duration of the school year
- A student may accumulate *no more than ten total absences, excused and unexcused combined*, throughout the duration of the school year.

Students who meet or surpass these thresholds are subject to disciplinary action by the school including, but not limited to, the following:

- Failure of an academic course(s) impacted by the absences, requiring the completion of remediation during the summer
- Recommendation of dismissal and/or loss of scholarship renewal.

Only under the most extenuating circumstances will the School's administration allow a student to surpass these prescribed thresholds. To request an exception from the Absence Threshold for extenuating circumstances, the student and his or her parent(s)/guardian must meet with the Principal and President to discuss their request. The President serves as the final authority on granting exceptions to the Attendance Threshold.

### **Lateness:**

A student who arrives after 8:00 AM is considered late and must obtain a late slip from the office before entering the classroom. Excessive/repeated lateness of 5 or more days late per quarter or 15 or more days late within the school year may impact a student's ability to continue at NativityMiguel School of Scranton and/or scholarship renewal.

Students who meet or surpass these thresholds are subject to disciplinary action by the school including, but not limited to, the following:

- Requirement to remediate missed work during recess or activities
- Meeting with the student's parent(s)/guardian and Principal to establish accountability plan
- Recommendation of dismissal and/or loss of scholarship renewal.

### **Early Dismissals :**

The school day is 8:00-5:00 daily. Early dismissals are not encouraged. Requests for planned early dismissals must be submitted in writing. In case of an emergency early dismissal, families should call the school as soon as possible to let us know of your emergency situation; this will allow us to have the child ready for dismissal. The adult who is picking up the student must come to the school office and sign the student out of school. Students will not be permitted to leave the school alone or with any person other than a parent/guardian or other person listed in the school's emergency contact file unless a release is signed by a parent/guardian.

### **Perfect Attendance:**

Perfect attendance for the year means no days absent and no days late. A student who is excused early for an appointment or is sent home ill does not qualify for perfect attendance. Eighth grade students are allowed two approved "shadow days" which will not count against perfect attendance.

## **Behavior Expectations and Consequences:**

NativityMiguel School of Scranton holds its students to a set of high standards of behavior, community engagement and leadership, wise decision-making, and service to the school and broader communities. In all areas of student life, students are expected to uphold the core values of NativityMiguel School.

The staff of NativityMiguel School of Scranton endeavors to develop a specific, positive approach to discipline characterized by:

- An atmosphere of mutual respect, trust, acceptance and learning;
- A place where there is communication, courtesy and joy;
- A sense of student’s responsibility for personal behavior and awareness of consequences when such actions violate school expectations.

Students may earn rewards, including participation in special trips, assemblies, and events by demonstrating respect and responsibility that meets NativityMiguel School of Scranton standards. When students engage in behavior that falls short the School’s standards and expectations, consequences will be implemented with the intent of restoring relationships, improving the student’s capacity to meet expectations, and repairing any damage caused to the school community.

The Principal is responsible for responding to matters of discipline and adjudicating consequences based on the severity or habit of the student’s infraction. The Principal will document the investigation and adjudication response of all major disciplinary infractions. Consequences will be determined by the Principal, taking into consideration the severity of the infraction, the frequency of occurrence, and the effect on the community. However, the President retains final authority in all matters of student discipline. In cases where dismissal from school is recommended, the President will make the final decision.

### **Anti-Bullying Policy:**

Every NativityMiguel School student has the right to feel safe within the school community. Bullying behavior of any kind will not be tolerated.

NativityMiguel School defines “bullying” as an intentional electronic, written, verbal or physical act, or a series of acts that: cause physical or emotional harm to a student or his property, place a student in reasonable fear of harm to himself/herself or his/her property, create a hostile school environment for the student, infringe on the student’s rights at school, or significantly disrupt the educational process or orderly operation of the School. Examples of bullying behaviors may include, but are not limited to, the following:

- Threatening
- Intimidating

Cyber-bullying may take place off campus and outside of the school environment and include the use of personal property, but because of its impact on the school environment, any student found to be engaged in cyber-bullying is subject to disciplinary action.

A student who believes he/she is the object of bullying behavior should report this immediately to a member of the school staff or administration. Any student, parent, or guardian who believes bullying has occurred is strongly encouraged to submit a report, orally or in writing, with an appropriate member of the School administration, faculty, or staff. School staff members are obligated to report the information within one school day to the Principal. The Principal will supervise the investigation of the complaint and is obligated to notify the parents of all involved students within 48 hours of receiving the report. The Principal is responsible for all aspects of the complaint investigation, including establishing necessary safeguards for all involved students, questioning all involved students and possible bystanders (including staff members and parents), and determining any necessary disciplinary or restorative outcomes.

A student who is out of uniform for a legitimate reason must bring a note from a parent or guardian. ### **Scholarship/school fee:**

NativityMiguel School of Scranton is a “scholarship school.” There is no tuition. Each student is awarded a scholarship renewable annually depending on results of an evaluation. **Students at NMS are fortunate to receive a quality education (actual cost is around \$15,000) at a very low fee (\$200 per year: \$150 activity fee plus \$50 technology fee).** This could not be possible without the generosity of the school’s sponsors. During the year students are required to write to their sponsors. Personal handwritten notes allow our sponsors to know more about the students and it gives the students an opportunity to express their appreciation.

Parents/guardians pay non-refundable school fees quarterly. Refer to the school calendar for dates school fees are due. Students whose families have outstanding balances may forfeit their enrollment, and in case of eighth graders, final transcripts will not be released to high schools. In case of an emergency that prevents

the family from paying school fees by the due date, the parent is strongly encouraged to contact the school prior to the due date to work out a fair arrangement for payment.
