Dear NMS Community:

I am writing to inform you that before the end of the day, we will email your child the information regarding their bus stop and time. This information will also be shared with you via Remind. If you do not receive this communication, please contact the school at once.

ALL STUDENTS MUST ARRIVE 10 MINUTES EARLY TO THEIR BUS STOP.

We are following Scranton School District's safety guidelines for transportation which are listed here:

- all students will be masked
- students will have assigned seats on the bus
- students will be socially distanced as much as possible
- windows on the bus will be cracked to allow for better ventilation
- The bus will be sanitized before and after each run
- only NativityMiguel students will be riding the bus at the same time

Unfortunately, the Scranton School District is unwilling to provide us with more than one bus at this time. Therefore, **please be aware that as many as 35 NativityMiguel Students will be riding the bus to and from school. This means that there will be some students who will have to sit directly next to each other for the duration of the bus ride.**

ALL STUDENTS MUST ARRIVE AT THE BUS STOP MASKED AND MUST KEEP THEIR MASK ON FOR THE ENTIRE BUS RIDE. No student will be permitted to board the bus without a MASK.

Furthermore, if a student takes off their mask while on the bus, that student will be unable to continue riding the bus for the remainder of the school year.

Please know that our faculty and staff are working tirelessly to ensure your child remains safe and healthy. **If you are uncomfortable with your child riding the bus, you will have to arrange for your own transportation to/from school. You may also choose to keep your child enrolled virtually. PLEASE LET US KNOW IMMEDIATELY IF YOU DO NOT REQUIRE TRANSPORTATION OR CHOOSE TO REMAIN VIRTUAL.**

Please reach out to me if you have any questions or concerns.

Sincerely,

Timothy P. Casey
