THE UNIVERSITY OF SCRANTON

Honoring
FRANK & ALYSSA HAGER

Dear Friends of NativityMiguel,

We are so excited to be here tonight celebrating the wonderful mission of NativityMiguel Scranton. This institution in our community is beyond special and the support you have shown for it is truly humbling.

We want to first thank our co-chairs, Bill Bender, Jr. & Christin Bender. They alongside with our outstanding committee members have gone above and beyond this year. They have spread the story of NativityMiguel Scranton to their friends, families & contacts far beyond Northeastern Pennsylvania. It is exciting to have so many new people learn of NativityMiguel and feel as passionately as we all do on the opportunity it is giving these students.

Ron Prislupski & Sarah Thomas are the electricity of NativityMiguel. They work tirelessly to make sure the students are well-educated, nurtured and feel a sense of community. Ron & Sarah strive daily to make sure NativityMiguel will continue to expand and provide for more families in the years to come and their passion and enthusiasm is both contagious and inspiring. We are so grateful for all they do.

We want to thank David & Ann Hawk and the entire Board of Trustees. Your knowledge, mentorship and on-going support is what is allowing this school to thrive and grow. Thank you for continuing to pour your hearts into your roles.

Lastly, thank you to all of this year's donors and sponsors. Your support means the world to the families of NativityMiguel. Their children are receiving a rigorous, faith-based education in a loving environment, which is preparing them for a successful future. Being able to attend the school is transforming the lives of not only the students but their families as well.

We hope when you leave here tonight, you continue to share the wonderful mission of NativityMiguel with others. It's too special not to.

With Heartfelt Gratitude,

Frank & Alyssa Hager

NATIVITYMIGUEL SCHOOL OF SCRANTON

Supporting Students, Strengthening Futures

In 2012, the provincial leaders of several religious congregations joined together around a bold idea. Recognizing that no single congregation could take on the project alone, they formed a collaborative task force to address the academic and social needs of low income middle school children in the Scranton area.

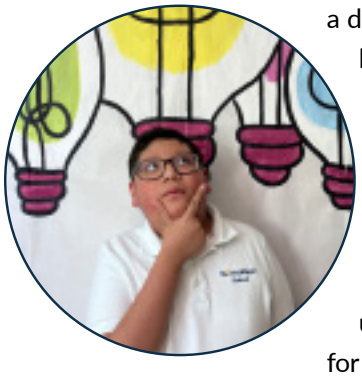

Drawing inspiration from the nationally recognized NativityMiguel model and adapting it to meet the specific needs of our community, they developed a vision for a faith based school that would provide an extended day, extended year program rooted in strong academics and character formation. The goal was clear: **break the cycle of poverty, one student at a time.**

Through the lens of Catholic faith, NativityMiguel School of Scranton empowers students of all races and beliefs to reach their full potential. We combine rigorous academics with a holistic focus on personal growth, grounded in our Core Values of Faith and Honor, Integrity and Respect, Leadership and Perseverance.

In 2015, thanks to the remarkable generosity and hospitality of Temple Hesed, a Jewish synagogue, we opened our doors to our very first fifth grade class with 12 students from diverse backgrounds and experiences. Just four years later, that pioneering class became our first graduates in 2019.

From those humble beginnings as a one grade program, NativityMiguel has grown to serve students in grades five through eight on the beautiful campus of Marywood University. But our commitment to our students does not end at graduation. Through our Graduate Support Program, we continue to walk alongside more than 100 alumni as they navigate high school, college, and the path toward their future careers.

In 2025, NativityMiguel celebrated its 10th anniversary, marking a decade of mission in action, academic excellence and values lived out each day. As we begin our second decade, we do so with tremendous gratitude for how far we have come and excitement for all that lies ahead.

Today, NativityMiguel remains a vibrant community where students are known, supported, challenged, and encouraged to dream boldly. With the partnership of our families, faculty, alumni, volunteers, donors and friends, we continue building upon the vision that began more than a decade ago and creating opportunities that will transform lives for generations to come.

OUR MISSION:

Through the lens of the Catholic faith, we, The NativityMiguel School of Scranton, seek to empower our students, of all races and beliefs, to reach their full potential. We offer a holistic approach to academic and character development through our core values of faith and honor, integrity and respect, and leadership and perseverance.

2026 HONOREES

Frank and Alyssa Hager

Frank and Alyssa Hager were both born and raised in Palmerton, Pennsylvania, where their roots in faith, family, and community were first established. Frank is a 1990 graduate of Villanova University, and Alyssa is a 1990 graduate of the Fashion Institute of Technology New York. After beginning his career in his family's furniture business, Frank set out on an entrepreneurial path of his own. In 1997, Frank and Alyssa opened the first of what would become ten La-Z-Boy Furniture Galleries across Northeast, Central Pennsylvania, New York and New Jersey. Two years later, in 1999, they relocated to Moosic, Pennsylvania, planting deeper roots in the region they would spend decades serving.

Their success in business has always been matched by an equally strong commitment to giving back. When widespread flooding devastated communities in the Wilkes-Barre area, Frank and Alyssa did not hesitate. Through their La-Z-Boy stores, the Hagers donated over $200,000 worth of sofas, chairs, recliners and other furnishings to families who had lost everything — working in partnership with the Salvation Army to ensure the donations reached those most in need. It was the kind of generosity that speaks louder than any award: quiet, practical, and profound.

The Hagers' philanthropic spirit extends across the region's most vital institutions. They have been supporters of Ronald McDonald Houses in Northeast and Central Pennsylvania, the McGlynn Center in Wilkes Barre and St. Joseph's Center and Friends of the Poor in Scranton — organizations that serve some of the most vulnerable members of our community. Their generosity has also touched the Church: active parishioners at Our Mother of Consolation in Philadelphia and St. Ann's in Naples, Florida, Frank and Alyssa are proud supporters of Catholic education at both parishes.

Education has been a defining pillar of their service. Frank brought his time and leadership to Scranton Preparatory School, where he served on the Board of Directors and as Board Chair — a testament to the depth of his commitment to shaping the next generation. His alma mater, Villanova University, has also benefited from the Hagers' continued engagement and support.

Their professional excellence has earned them broad recognition, including the La-Z-Boy Incorporated Retail Partners of the Year award, the Tri-State Young Retailer of the Year distinction and the Junior Achievement of NEPA Entrepreneur of the Year honor. Yet those who know Frank and Alyssa will tell you that their greatest achievements are measured not in professional accolades but in the lives they have touched.

Frank and Alyssa are the proud parents of Sam (wife, Calina), Olivia (fiancée, Eric) and grandchildren, Nora & Wesley. The family they have built reflects the same values they have carried into every corner of their public lives: faith, generosity, and an abiding belief in the dignity of every person.

In honoring Frank and Alyssa Hager at this year's Tribute Dinner, NativityMiguel School of Scranton celebrates not only their extraordinary generosity, but the vision of hope, opportunity, and service that has defined their lives together.

Congratulations

MOM & DAD

Your generosity, faith, and commitment to serving others are at the heart of everything you do. You have always believed in the power of education, and NativityMiguel is stronger because of you both. We are so proud of you.

With love and gratitude,
Sam, Calina, Nora, Wesley, Olivia & Eric

2026 FRIENDS OF NATIVITYMIGUEL AWARD RECIPIENT

Sisters of Mercy

The Sisters of Mercy of the Americas is an international community of Roman Catholic women dedicated to God through vows of poverty, chastity, obedience and service to the poor, the sick and those lacking education. Founded in Dublin in 1831 by the Venerable Catherine McAuley, Sisters of Mercy are found throughout the world, serving the people of God in a variety of ministries. The Institute of the Sisters of Mercy of the Americas includes women religious in Argentina, Belize, Chile, Guam, Guyana, Honduras, Jamaica, Panama, Peru, the Philippines and the United States. The sisters' lives and ministries are inspired by five Critical Concerns, issues of special importance to the Sisters of Mercy; these concerns are care for the Earth, immigration, nonviolence, racism and particular attention to the education, health care, and spiritual needs of women and girls.

The Mercy community in Northeastern Pennsylvania was founded on September 4, 1874, when five sisters from Buffalo, New York arrived in Hazleton at the invitation of Bishop William O'Hara to open a school. A separate contingent of eight sisters, from Pittsburgh, arrived in 1875 to staff St. Mary's School in Wilke-Barre. The two groups of sisters united in 1899 to form a single community of Sisters of Mercy in the Diocese of Scranton.
Over the next decades, Sisters of Mercy staffed parochial schools throughout the diocese, opened hospitals in Wilke-Barre in 1898 and in Scranton in 1917, and founded Misericordia University (then College Misericordia) in Dallas in 1924.

In addition to their continued support for Misericordia University, the Sisters of Mercy co-sponsor Friends of the Poor & Catherine McAuley Center (co-sponsored with the Sisters, Servants of the Immaculate Heart of Mary), a Scranton-based ministry that provides shelter, food assistance and other essential services to people experiencing homelessness and food insecurity. In Wilkes-Barre, the Sisters of Mercy sponsor the McGlynn Center, which provides educational, recreational and life-skills services to children and youth.

McGOWAN

William G. McGowan Charitable Fund

The William G. McGowan Charitable Fund has, since its inception, maintained a vision to impact lives, to create sustainable change, and to empower future generations to achieve their greatest potential. The Fund brings that vision to life through grant-making efforts in three program areas: Education, Human Services, and Healthcare. They prioritize programs that have demonstrated success, have measurable outcomes, plans for sustainability, and aim to end cycles of poverty and suffering.

Resolute in the belief in the power of partnerships or collaborative efforts to maximize impact, the Fund embraces opportunities to work with other partners across their key program areas, looking for funding opportunities that share their philosophy and exploring the possibility of joint projects with other nonprofit organizations.

The Fund is managed in accordance with values deeply held by its benefactor, William G. McGowan. Among these are ethical leadership and the belief that every life has equal value.

Dear NativityMiguel School Donors & Sponsors,

On behalf of the entire student body of NativityMiguel School of Scranton, we wanted to say a heartfelt thank you! Your generosity helps us learn and grow in ways we never thought possible. Everything you give to our school helps us learn better and thrive not only in the classroom, but in our lives. Each donor's commitment to making NativityMiguel better helps us see the future more clearly. Through the purchase of classroom equipment, uniforms, sports equipment, and more your contributions give each of us a solid foundation to build on throughout our time here. We work hard every day to make sure we are gaining the knowledge and skills to grow in faith, our values and academics. Every donation gets us closer to the NativityMiguel School community growing and providing a great education for years to come. You have taught us what being giving, loving and generous truly means! May God bless you.

Sincerely,

Preist, Giovanni, Denisse
